September 2019

Location: **CARIFAC ARTE
Fabriano.**

REQUIREMENTS

Students must possess one of the following titles:

- High school diploma or degree obtained for the sector in which the specialization is inserted
- the I and II level qualification certificate and a work experience of a minimum duration of 4 months in the sector in which the specialization is inserted
- at least 3 years work experience in the sector in which the specialization is engaged

HOW TO SUBMIT YOUR APPLICATION

The application for enrollment in the course must be made on a **dedicated form** (kindly find it on www.itsenergia.it) with a **copy of the identity document attached**.

All must be sent via registered letter **by** **16th September 2019** at FONDAZIONE ITS PER L'EFFICIENZA ENERGETICA - Via Serraloggia, 163 - 60044 Fabriano (AN).

Alternatively, again by **September 16th**, the aforementioned documentation may be transmitted via PEC carifacarte@pec.it

SELECTION

In the event that the applications for admission are greater than the available places, a selection test will be conducted. The candidates are considered **AUTOMATICALLY CONVENED** for selection at the ITS FOUNDATION FOR ENERGY EFFICIENCY - Serraloggia, 163 - Fabriano (AN). In case of absence on the day and time set for the test, the applicants will lose the right to participate. The selection will take place through a multiple choice written test on the course topics and a motivational / technical interview.

CERTIFICATE GRANTED

Those who have attended at least 75% of the course hours and pass the final tests will be issued a CERTIFICATE OF SPECIALIZATION - SG 1.1.1 – PAPER MAKER.
